August 2023

Dear Students and Parents,

I welcome you to Arvida Middle School and to another successful school year. As a Magnet Schools of America, National Award of Excellence Winner, we are committed to our students and parents for academic excellence, developmental responsiveness, and social equity. Our school leadership team has developed a school-wide Honor Code with a testament of *Viking Pride* as our guiding vision for the values of Honesty, Integrity, and Responsibility in all that we say, write, and do every day. Along with your partnership, we will further advance our school of excellence for the development of all Viking students.

I have three core beliefs about middle grades education:

Student development and achievement is our primary purpose, and we must be accountable for all students' learning and growth at high levels.

Parent engagement supports and maintains the educational process while setting a personal and character development standard for students.

The teaching and learning environment is the pathway to establish positive school experiences and to motivate students to dream big and work hard

These beliefs guide my educational decisions and help me set a foundation on which to develop school improvement goals. Combined with good communication, I have found these beliefs to be of value in supporting a child-centered learning environment. I welcome all ideas, suggestions, and opportunities to enhance the educational environment and culture in our school.

It is a privilege to be your principal at Arvida Middle School. I humbly ask you to get involved and support our PTSA efforts. I look forward to a great school year.

Sincerely,

Angela Holbrook, Principal

Biography

Arthur Vining Davis
Founder

Arvida Middle School was founded by Arthur Vining Davis (May 30, 1867 – November 17, 1962), American industrialist and philanthropist. He was born in Sharon, Massachusetts, the son of Perley B. Davis, a Congregational minister, and Mary Frances. After attending school in Hyde Park, Massachusetts, and the Roxbury Latin School in Boston, Davis entered Amherst College, graduating in 1888. As a result of his father's friendship with a former parishioner, Alfred E. Hunt, founder of the Pittsburgh Reduction Company that made aluminum, Davis obtained a job with that company. Although aluminum's favorable characteristics as an industrial metal had been known for several decades, it was expensive to manufacture. Hunt's company hoped to capitalize on Charles Martin Hall's experiments to produce the metal at low cost. Davis thus joined a firm that was adventurous. The work required a handyman's disposition—overalls and a twelve-hour day—for the manufacturing process was a continuous one. Davis and Hall became close associates during the experimental phase, and on Thanksgiving Day of 1888 they poured the first commercial aluminum.

Davis married Florence Holmes in 1896. She died in 1908. In March 1912 he married Elizabeth Hawkins Weiman, who died in 1933. He had no children. Before retiring from Alcoa, Davis began a second career by investing primarily in The Bahamas and Florida. The investments included extensive real estate holdings in the Miami area (estimated at one-eighth of the county) and on Cuba's Isle of Pines. He also had ownership or control of some thirty Florida enterprises ranging from dairy farms to resort hotels. The rapid acquisition and size of the investments resulted in considerable publicity and additional controversy with the government, including the Securities and Exchange Commission.

Davis died in Miami, leaving an estate of \$400 million. Only a small portion of his wealth went to individuals. The majority went to a trust he had established in 1952 and to Arvida (from Arthur Vining Davis), a northern Quebec model town he had founded in 1927 for working families. The Arthur Vining Davis Foundations provide financial assistance to educational, religious, cultural, and scientific institutions, and are a regular PBS donor.

- ***Opening and Closing Hours of Schools***

9:10 a.m. – 3:50 p.m.
Doors open at 8:30 AM

- ***Early Sign Out***

The early release of students causes disruption to the academic performance of all students and may create safety and security concerns. No students shall be released within the final thirty (30) minutes of the school day unless authorized by the Principal or Principal's designee (i.e., emergency, sickness).

- ***Late Arrival***

Students who are tardy to school must report to the Attendance Office to secure an admit. Excessive tardiness may result in loss of privileges, detention, parent conference, and/or suspension.

- ***Attendance, Early Sign-Outs, and Tardies***

School Attendance: Students are to be counted in attendance only if they are physically present for at least two hours of the school day or engaged in a school-approved educational activity which constitutes a part of the instructional program for the student.

Class Attendance: Students are to be counted in attendance if they are physically present in class for at least half of the class period, have been excused by the teacher on a class-related assignment, or have been requested by a member of the school support staff for an approved school activity.

Early Sign-outs: No student shall be released within the final thirty (35) minutes of the school day (3:15 p.m. on a regular bell day / 12:50 p.m. on an Early Release Day). After the 4th Early Sign-Out from school, medical documentation and/or parent conference will be required to excuse the absence.

Parents/guardians should use the [Virtual Main Office](#) on the school's website for early sign-out rather than enter the school to request a student.

Tardies: In order to receive an excused tardy, students provide proper documentation via the [Virtual Main Office](#) on the school's website. Excessive tardies from school will require medical documentation and/or parent conference with an administrator to excuse the tardy/absence.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

If a student is continually sick and repeatedly absent from school due to a specific medical condition, he or she must be under the supervision of a health care provider to receive excused absences from school.
- Medical appointment: if a student is absent or signed out early from school due to a medical appointment, a written statement from a health care provider indicating the date and time of the appointment, must be submitted to the principal.

Any absence that does not fall into one of the above excused absence categories is to be considered unexcused, including early sign-outs. Any student who has been absent, or early sign-outs, from school will be marked unexcused absent until he/she submits required documentation as specified above. Failure to provide required documentation within three school days upon the return to school will result in an unexcused absence. Unexcused absences and/or early sign-outs include:

- Absences and/or early sign-outs due to vacations, personal services, local non-school event, program or sporting activity.
- Absences and/or early sign-outs due to elder students providing day care services for siblings or other family members

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

The School Board of Miami-Dade County, Florida, approved The Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the COSC is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

The COSC addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Principals are authorized to take administrative action whenever a student's

off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <http://ehandbooks.dadescholgtools.net/policies/90/index.htm>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

- ***Emergency Operations Plan***

Student and employee safety is an utmost priority of the Miami-Dade County Public School (M-DCPS) System. The District Emergency Operations Plan (EOP) was created to provide District staff, school administration and personnel with the knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- Students will not be released during a lockdown. If you need to pick up your child wait until the lockdown is lifted before going to the school.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- ***Threat Assessments***

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessments. Schools must establish a Threat Assessment Team comprised of an administrator, counselor, teacher, and law enforcement officer. The schools utilize a problem-solving approach to harm prevention that involves assessment and intervention with students who threaten violence or harm. When a preliminary determination is made, that a student poses a threat of violence the team shall further convene to determine the best course of action. Authorized members of the team may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services as applicable. Threat assessments and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- ***Visitors***

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice.
